Parepare Restoran

Paviljoen Restaurant

Purwakarta Restoran

A 3D architectural rendering of a modern restaurant building. The building features a dark grey, textured facade with a prominent dark grey lattice screen on the right side. The name "Purwakarta Restaurant" is displayed in a light grey, sans-serif font on the left side of the building. The roof is a dark, flat structure. In the background, there are other buildings with traditional-style roofs, a green lawn, and a sky with a sunset or sunrise glow and several birds flying. Two blurred figures of people are walking on the left side of the building.
